Subject: <Attending Voxxed Days Belgrade 2016>

With the deadline for saving 80 EUR coming up quickly, I'd like to get your approval to attend Voxxed Days Belgrade 2016 this September. This is an excellent opportunity to learn the key technical information I need to enhance my skills. I'll have access to industry-recognized experts from around the world—developers, partners, technology Rock Stars and community members so I can grow my skills and increase our development productivity.

I'll be able to choose from more than 80 sessions, given by experts from companies like: Google, Amazon, Indiegogo, Atlassian, IBM, RedHat, Pivotal, Cloudbees, Yammer and many others. This way I can tailor my schedule to get exactly the information I need. For example, I plan to focus on:

In addition to sessions, I'll be able to attend information-rich keynote, practical hands-on workshops and network with other colleagues from the industry.

Last year's event was an excellent example of value this conference brought to other participants and here is what speakers said about it:

"Going home after an excellent @VoxxedBelgrade - one of the best-organised conferences I've attended (and it was their first edition!)" - Lukas Eder

"#vdb15 is finishing. I've been to a few conferences this year but this was really the best :) thx @VoxxedBelgrade" - Maciek Próchniak

This is the approximate cost of my attending Voxxed Days Belgrade 2016:

Travel: _____ EUR	Accommodation: _____ EUR	Meals (<i>served at conference</i>): _____ EUR
Registration (<i>save 80 EUR until 23rd of July!</i>): _____ EUR	Other expenses: _____ EUR	Total cost: _____ EUR

Attending Voxxed Days Belgrade 2016 will have huge value for me and <company, department, or organization name>. Please let me know if you have any questions, and thanks in advance for your support.

Best,
